

Home on 5 Acres! ^{\$}

\$70,000

Live in the mobile while you build your dream home on the several elevated sites! Or, older mobile makes an excellent income property. It is 2 bedroom, 1 bath with covered front porch and also a back deck.

The five acres goes up behind and beyond, wrapping, around the hillside. Incredible views!

Recently painted, light and cheery kitchen

Clean and nice, the living room features new linoleum!

Cut down on your heating bills! This big wood stove does a great job!

Very private covered deck off the back! Property includes a large greenhouse.

Breathtaking views from the back of the parcel,
bordered by BLM
